

Foreign citizens marriage in Italy – check-list

- US Passport
- The Atto notorio that will be done here at the Consulate;
- A sworn declaration before a US Consulate in Italy stating that there is no obstacle to the marriage according to the laws of the United States;
- If applicable evidence of termination of any previous marriage (divorce decree, death certificate of previous spouse, etc etc) translated into Italian.

Unless the City where the couple will get married ask specifically for birth certificates there is no need to provide them and anyway they are not necessary for the Atto Notorio.
